

Here's what our customers say:

Kelly James , Orchard Software

"Thank you for your outstanding customer service and delicious treats. Our employees love it when we announce that we're having Handel's Sundae Bar. And, I appreciate your team making it so easy for us to have great events year after year—from set up to clean up, everything is taken care of for us. Knowing that we have a dependable and professional partner in Handel's is important as our company grows and we strive to continue to provide fun gatherings. Thank you for everything at our previous events. We're looking forward to seeing you again soon!"

Bobbi Miller, Ingram Micro, Inc.

"Planning an event at 3 different locations for 2 different shifts totaling 1500 associates can be very challenging. From my first conversation with Handel's, I felt very confident this event was going to be a huge success! As an Event Planner, it is very important to select a Vendor who makes our role a little less stressful; Handel's Ice cream staff were over the top!

What I truly loved about Handel's aside from the quality of ice-cream, was their customer service. They assisted us with serving, greeting our associates and really created a fun atmosphere for everyone. We received so many compliments regarding Handel's ice-cream, we are planning to host again this year. I am really looking forward to this year's ice-cream social – it was one of the best events ever!"

Amy Vaiana, St. Theodore Guerin Catholic High School

"Many family events hosted at Guerin Catholic High School include a Handel's Ice Cream Sundae Bar. We have found that this is a key piece to hosting a successful event. When our guests are enjoying the ice cream, there is fun, laughter and a sense of community. Handel's is always easy to work with; they are efficient, reliable, affordable and have a friendly staff. They bring the ingredients for fun!"

Handel's Story

Since 1945 Handel's Homemade Ice Cream & Yogurt is made fresh every day on the premises. We use products, equipment, methods and recipes exclusive only to Handel's. Each batch is made in freezers specifically designed to create Handel's distinctively smooth and creamy texture.

Our philosophy is to use the best ingredients available, and always in abundance.

WE NEVER SKIMP! Handful after handful of fresh nuts, creamy caramel, rich dark chocolate, fresh fruits or marshmallows are poured into individual batches as they are drawn from the machine. This exemplifies the special care given to preserve the whole identity, flavor, and quality of each premium ingredient used. Handel's truly enjoys a rich history and a tradition of excellence.
